Participate in the E³UDRES² Team

28 – 29 October 2023

Are you ready for an international experience at home? Do you like finding solutions? Than join the E³UDRES² Team and participate in the Hackathon Fulda!

In this international and interdisciplinary team, you will be looking for smart solutions in the area of sustainability and climate protection together with eight students from our E³UDRES² partner universities.

General Information

- **When**: 28.-29.10.2023, 11:00-11:00 (25h)
- **Where**: Fulda University of Applied Sciences, Germany
- **What**: Topic „green tech – green hack”
  - Challenge 1: Energy-Dashboard for portfolio properties
  - Challenge 2: „Handprint“ instead of „Footprint“
  - Challenge 3: Data donation / „Sleeping Data“
- **Results**: Pitch your solution and hand in a concrete result (e.g. code, concept, project plan, business case or similar)
- **Prices**: Three winning teams receive price money
- **More information**: [https://www.hackathon-fulda.de/](https://www.hackathon-fulda.de/) / [https://eudres.eu/](https://eudres.eu/)
